Re: McCain Foods (GB) Ltd

Following numerous enquiries regarding **McCain Foods (GB) Ltd**, I hereby confirm that all products that bear our logo are kosher and under the supervision of SKA. All products are thoroughly researched, and I have inspected the facilities in person.

For a complete list of certified products, consumers should contact the SKA office by email at info@ska.org.uk or by phone on 020 7481 7840.

Please note, McCain products are only certified kosher when bearing the SKA logo on the pack. One is advised to check each pack before opening. SKA takes no responsibility for products that do not bear its logo.

With blessings,

Dayan Yosef Haim David
