The cosmetics listed above have been compiled with the assistance of KOLLEL BAIS AVROHOM of Los Angeles

THE FOLLOWING MAY CONTAIN CHOMETZ:

- ◆ **Baby foods and baby cereals:** baby foods in general are processed on Chometz equipment
- ◆ **Baby Powder** may contain starch or oats which may be Chometz
- ◆ **Balloons:** the white powder inside may be Chometz
- ◆ **Charcoal briquets** may contain starch
- ◆ **Confectioners sugar:** use only with Pesach hashgocho
- ◆ **Citric Acid:** Sour Salt
- ◆ **Dextro-Maltose:** Domestically-produced dextrose is made of corn; imported dextrose may be Chometz.
- ◆ **Dried fruit** may be used only with reliable Pesach hashgocho
- ◆ **Ensure and other liquid supplements**
The OU recommends the following list only containing Kitniyos: UNFLAVORED only: ENLIVE; ENSURE HIGH PROTEIN; ENSURE GLUCERNA OS; ENSURE HIGH CALCIUM; ENSURE (not Ensure Fiber with FOS); NEPRO; OSMOLITE: OSMOLITE HN, OSMOLITE HN PLUS; OXEPA; POLYCOSE; PULMOCARE; SUPLENA; TWO-CAL HN; RESOURCE DIABETIC; RESOURCE THICKENED: WATER, COFFEE, JUICE.
If possible, these products should be used in liquid form rather than powdered form. For all other products, the Rabbinat should be consulted.
- ◆ **Hydrolized vegetable protein** may be Chometz
- ◆ **Insect and rodent traps** may contain Chometz.
RAID ANT & ROACH TRAPS MAY BE USED
- ◆ **Lactaid** - both caplets and drops - should not be used on Pesach.
- ◆ **MSG - monosodium glutamate** - may contain Chometz
- ◆ **Mustard** - may contain Chometz
- ◆ **Nescafe** with chicory should not be used on Pesach
- ◆ **Paper Towels** - The first and last three sections of a roll should be discarded due to the starch glue used at those sections
- ◆ **Peeled vegetables** must have a Pesach Hashgocho
- ◆ **Perfumes** except those listed in previous section
- ◆ **Play Dough**
- ◆ **POSTUM COFFEE IS CHOMETZ**
- ◆ **Rubber gloves** or **plastic gloves** without starch may be used. Those with starch may contain Chometz.
- ◆ **Splenda** contains Kitniyos
- ◆ **Tapioca** itself is not Chometz, but Chometz starch may have been added to it
- ◆ **Teabags which are decaffeinated** should not be used except as listed in previous sections.
- ◆ **Throat Lozenges**
- ◆ **Vinyl transparent tablecloths** from Taiwan which have a print are usually coated with a powder which may be Chometz.
- ◆ **Vitamins**
- ◆ **Vitamins Prenatal**
The following do not contain Chometz:
TEVA: Prenatal Optima Tablets, Prenatal Plus, Prenatal Rx with Carotene Tablets;
MISSION: Prenatal FA, HP Tablets
- ◆ **Washable paste, vinyl paste and wallpaper paste** may contain Chometz

* Please see below the OU's list of accepted baby formulas for Pesach which may contain Kitniyos but do not contain Chometz. Based on data provided by the OU, the Rabbinat recommends using liquid formulas over powdered ones on Pesach, if possible.

(This list appears in the Pesach section of the OU's website, under the heading "Baby Formulas," and is reprinted with the OU's permission.)

Please note that these products are only acceptable when bearing the OU symbol.
