RAW UNSEASONED WHITING AND/OR SALMON

Due to a change in production methods in some companies in Chile involving citric acid (which is Kitniyos), the KOF-K can no longer make a universal statement regarding fish for use on Pesach that is under their supervision.

Therefore, frozen fish under KOF-K supervision requires Passover certification on the packaging. There are some exceptions. The following brands of frozen raw unseasoned Whiting and/or Salmon with KOF-K certification which comes from Chile (not the USA or China), may be used on Pesach without special Passover supervision.

- 1– The Great Fish Company
- 2–Wegmans
- 3– Punto Austral
- 4- Atlantic Trading
- 5-Mentas Members Mark
- 6– South Atlantic
- 7– Platina Seafood
- 8- Walmart
