

Nutritional Supplements, Formula, and Milk-Substitutes Passover 2018

The cRc thanks the OU for researching the following nutritional supplements and infant formulas. These items have been determined to be suitable for someone who is infirm (*choleh she'ain bo sakanah*) and for infants, respectively, when bearing the OU logo.

Most of these products contain *kitnios*, and for some that is the primary ingredient. With the exception of the flavors used, any item which might be *chametz*-based is used in such small proportions that it is *batel b'shishim* (nullified). Where possible, it is preferred to (a) use a substitute which is certified for *Pesach*, and (b) use a liquid supplement instead of a powdered one.

MEDICAL NUTRITIONAL SUPPLEMENTS

Those items marked with a star (*), contain oat fiber which is not *chametz*.
