

NUTRITIONAL SUPPLEMENTS, FORMULA, AND MILK SUBSTITUTES

PASSOVER 2019

The OU has researched the following nutritional supplements and infant formulas and determined that they are respectively suitable for someone who is infirm (*choleh she'ain bo sakanah*) and for infants, when bearing the OU logo.

Most of these products contain *kitnios*, and for some that is the primary ingredient. With the exception of the flavors used, any item which might be *chametz*-based is used in such small proportions that it is *batel b'shishim* (nullified). Where possible, it is preferred to (a) use a substitute which is certified for *Pesach*, and (b) use a liquid supplement instead of a powdered one.

MEDICAL NUTRITIONAL SUPPLEMENTS

Those items marked with a star (*), contain oat fiber which is not *chametz*.
