

ORB Pas Yisroel List

from the ORB September 21, 2020

During the auspicious time of the Aseres Yimei Teshuva, it is customary for Jews to be more stringent with certain halachot.

The Tur (Orach Chaim, Siman 603) based on the Talmud Yerushalmi notes that one should exclusively eat **Pas Yisroel** bread. Even if this is not their usual custom, they are encouraged to do so.

For your convenience, the ORB has compiled a list of our Pas Yisroel certified locations and products.
