5787 General Chodosh Cut-Off Start Date Chart for the USA Only. Revised: November 1, 2026

Dates marked with * are Tentative Dates and *subject to change.*

This page lists the packing date cutoff of the last day that a product is yoshon. Therefore, if a product was made *on or before that date*, it is yoshon. These are NOT Best By dates. See Yoshon.com for specific product entries. For items with multiple grains, use the earliest grain's date. The base Julian date code is listed for convenience. The year code (1-2 digits) can appear either before or after the base date code. **Note:** Pure 100% Spelt, Bulgur, and Rye from North America are winter crops and are always *yoshon*.
