Luscious by Lori Update

To whom it may concern:

We hope that this letter finds you well.

Over the past year, the Buffalo Vaad HaKashrus has spent time standardizing the policies and procedures of the BVK in order to further professionalize the vaad and to remain in compliance with the Association of Kashrus Organization's procedures. All retail providers were given the opportunity to opt into these standards to remain under the supervision of the BVK. Luscious by Lori has decided not to continue being certified by the BVK effective immediately.

Sincerely,

Rabbi Avi Okin MSW
